

YEAR 7 ENGLISH:

SPRING TERM TOPICS

- Mini Shakespeare project: A unit to build on prior knowledge of Shakespeare and start developing skills in reading and understanding the language and context, using extracts from 'A Midsummer Night's Dream'
- Greek Myths and Legends: A unit to introduce, discuss and understand key stories from the past to develop the contextual knowledge and cultural capital needed for Literature GCSE. This builds to a persuasive writing assessment using one of the stories as a stimulus.

HOMEWORK

This could be 'reading for pleasure' homework, or a teacher-assigned task. Tasks will extend the learning which has taken place in class or enable students to prepare for their next lesson, for example research, specified reading, speaking and listening practice, focused writing tasks or preparing material for a new topic.
