

## **YEAR 7 MATHS:**

### **SPRING TERM TOPICS**

- Fractions
- Averages and Stem and Leaf Diagrams
- Substitution into Expressions
- Basic Ratio
- Linear Equations

### **HOMEWORK**

Homework is Predominately set via Sparx (an online platform). The tasks set on Sparx follow the Curriculum map and are tailored to the individual. Pupils can also use Sparx to search for specific topics that they might need support with. Interspersed with this, pupils should expect to get two formal written homeworks each half term.
