

YEAR 8 MATHS:

SPRING TERM TOPICS

- Equation of a Line
- Standard Form
- Reflection and Enlargement
- Solving Equations Graphically
- 2-Way Tables
- Expanding Brackets
- Factorising Expressions

HOMEWORK

Homework is Predominately set via Sparx (an online platform). The tasks set on Sparx follow the Curriculum map and are tailored to the individual. Pupils can also use Sparx to search for specific topics that they might need support with. Interspersed with this, pupils should expect to get two formal written homeworks each half term.
