- What can I do and what am I good at?
- Who Am I?

PERSONAL DEVELOPMENT RECORD:

Throughout their time at Millais, students keep an online Personal Development Record. This allows them to reflect on their Personal Development – PCTL reflection / setting targets / developing a portfolio of action and participation. This all helps to contribute to the development of skills necessary in the workplace – but also just for being a well-rounded and happy individual.

Millais' commitment to support parents

1. Letter home to parents explaining the careers curriculum and their rights, at the start of each academic year.
2. Parent meetings, by request, to discuss careers at Millais.
