

Description of what is in the dashboard

The survey relates to the activity of all young people who have reached the compulsory school leaving age in 2024 on or around 1 November 2024. Those pupils with unknown or NEET destinations, may have since established an alternative destination, but this is not presented here. Other school/college and unknown employer destinations refer to pupils that have an EET (Education Employment Training) status, however the specific establishment name is unknown. Please note that some destinations have been suppressed due to sensitivity.
