

Millais Enrichment Clubs Booklet Summer Term (Term 3) 2024/25

Welcome from Millais CAS

It is our pleasure to launch our Enrichment Clubs programme for Term 3 Spring of the 2024/25 academic year at Millais.

To those new to Millais, CAS is our Personal Development framework focusing on how students can develop their sense of Community, Action, and Self.

We hope our offer will give all students the opportunity to learn new skills, stay active, build positive relationships, and, most of all, have fun. All clubs are run by Millais staff on a voluntary basis.

After-school clubs run until 4pm.

For any general enquiries about the extra-curricular enrichment provision at Millais, please use the Contact Us form on our school website.

If an after school club is cancelled, we will endeavour to inform parents and students. Please note that students impacted by a cancelled club can always go to the after-school provision (computing room or LRC) until 4pm if required (LRC: Mon-Thurs).

Millais staff also offer SPAs (Supporting Pupil Achievement) sessions after school until 4pm to help students with their class subjects. A separate timetable for this offer will be available on the website. In addition, the Learning Resource centre (LRC) is open 8.05am-4.30pm (Mon-Thurs).

Instrumental and Singing Lessons at Millais

As part of our extra-curricular provision at Millais, we also have a team of visiting music teachers who deliver one-to-one and small group music lessons. We can offer students lessons in singing, drums, piano, violin, viola, cello, double bass, flute, clarinet, saxophone, bassoon, trumpet, cornet, trombone, piano, guitar, bass guitar and drum kit.

Lessons take place during the normal school day for either 20 or 30 minutes on a rotary system. For further information, or to sign your child up for lessons, please email the music team: music@millais.org.uk and they can put you in touch with the appropriate teacher who will be able to advise you on their availability and cost of lessons. Funding can be available for those in receipt of free school meals.

Extra-Curricular Timetable for the Summer Term (Term 3) 2024-25

Tuesday	Cricket	After School	All Years	Astro	29/4/2025	PEO & JLE

***Starts on 6 June 2025

Art Club	A great way for Year 9 students to express themselves creatively while learning new techniques and refining skills learnt in lessons.
Choir	Come and sing your hearts out. We will be doing a wide mix of songs and welcome your suggestions as well.
Christian Lunch Club	An opportunity to get to know other Christians in the school. There will be discussion, prayer, and worship. Bring your lunch!
Code Club	Learning programming in a fun and interactive way.
Dance Club	Develop your dance skills and learn new styles, in the dance studio, PE kit required, no socks or shoes!
English Homework Club	Drop in for support in completing your English homework, with an English teacher.
E-Sport	Play esports on Nintendo switches, games include Mario Kart, Smash bros and Just dance.
Friday Lunch Club	A drop in club for anyone who wants to come and play games like Avocado Smash, Uno, Dobble and others or anyone who just wants to chat. Bring your lunch!
Geography GIS Ambassadors	Learn how to use Geographical Information Systems including Digimaps and ArcGis. Use your training to become a Millais GIS Ambassador helping other students to use the systems and become better geographers.
Greenpower Car	An opportunity to build and race an electric vehicle
Makaton	Makaton is a unique communication programme that uses symbols (pictures), signs (gestures) and speech to enable people to communicate.

Masterclass (English)	These sessions will cover all elements of the English exams for Language and Literature. The first 40 minutes of each session will be guided input, and the final 20 minutes will be a chance to begin answering an exam question on this topic, which can be completed at home. Full details of each session will be published early in January.
Music Technology Club	Learn how to use the recording studio and all the equipment available in music. Edit and create your own mp3s to take home.
Musical Theatre Academy	We perform all things musical theatre! We'll be working towards a number of productions over the year as well as developing skills in singing, acting and dancing.
Science Club	Come and investigate the world around us in science club. There will opportunities to explore different practical science experiments, learn new practical skills and keep up to date with science technology.

Please encourage your child to get involved, and to grab some of the opportunities on offer.

Millais is a vibrant community with so much going on! We really hope that there is something for everyone.
