Millais School (Y7 & Y8-11)

School Uniform List

In pursuit of excellence

School uniform identifies students with Millais School and should be worn with pride and a sense of responsibility.
The school has a clear and firm policy on uniform, and we ask parents to study it carefully and give it their full support. This avoids us having to spend valuable time reminding students about details or parents being involved in unnecessary expense by buying items of clothing which are unacceptable.

There is a revised change for the school uniform for the new Year 7 students. There will be a phased transition to the revised uniform for Y8,9, 10 & 11 in order to minimise costs for families avoid unnecessary replacement of uniform.

From September 2026: all students joining Y7 will wear the revised school uniform. Y8, 9, 10 & 11 will continue to wear the existing Millais uniform.

Please note students may choose to move to the revised uniform at any time if they wish (it must be all the stated items & not just a pick & mix version)

From September 2027: the revised uniform introduced for September 2026 will become the school's standard published uniform. Students who have a full set of compliant former style Millais uniform may continue to wear those items beyond September 2027. Provided that the uniform remains smart, serviceable and compliant with previous uniform policy, former style and revised uniform items are not to be combined.
